Embark on a GREAT ADVENTURE!
The Grand Rapids Kroc Center offers a wide range of camp programs to serve your child’s interests and summer care needs. From day camps to specialty camps, the Kroc Center has something for every child. All Kroc Center camp programs are developed and delivered in a faith-based environment and are structured to provide children the opportunity to grow and develop in a safe and positive atmosphere.

**Our Vision:**
Camp Kroc promotes the development of the whole child: spiritually, mentally, physically and emotionally through structured activities to improve daily living skills, positive socialization and boost self-confidence.

---

**Camp Kroc Families,**

We’re thrilled to share another summer of fun with you at The Salvation Army Kroc Center! Our Camp Kroc team has been working extremely hard to make 2019 the best season yet, with the theme of “The Great Adventure.”

As parents, we know there are dozens of options for summer child care and entertainment. So what makes Camp Kroc stand out? First, there’s the peace of mind that comes from being licensed by the State of Michigan, in addition to The Salvation Army’s commitment to child safety and Christian beliefs. Of course, the Kroc Center itself is a pretty great place to spend the summer, from the indoor water park and climbing wall to the outdoor activities like the giant slip & slide and fishing pond.

But there’s more to it -- the Kroc is unique in the way it serves and reflects our community. We appreciate and celebrate the fact that our kids get to know campers and counselors who represent different neighborhoods, backgrounds, and cultures -- while learning that they are all children of God. It’s such a blessing to see them play, sing, and grow as they enjoy the summer together.

So, we hope you’ll join us on our “Great Adventure” this summer, and we’ll see you soon at The Salvation Army Kroc Center!

By faith,  
Capts. Bill & Taylor Brutto
